PROFESSIONAL STATEMENT

Detail-oriented and customer-focused professional with experience across project coordination, administration, stakeholder engagement, events, and operational support within fast-paced environments. Skilled in coordinating projects, maintaining accurate records, managing communications, and supporting customer-focused services across marketing, events, retail, and professional sports settings. Experienced in data reporting and performance analysis using tools such as Excel and Google Analytics to support decision-making and continuous improvement. Strong ability to build effective working relationships with stakeholders, manage competing priorities, and provide organised administrative support while maintaining high standards of accuracy and attention to detail. Motivated to contribute strong organisational, analytical, and communication skills within a project-focused public sector environment.

SKILLS

Digital Marketing: SEO, Google Analytics, MailChimp, Hootsuite, PPC Campaigns

Analytical & Technical: Data Reporting, Microsoft Office Suite, Excel Databases

Interpersonal: Communication, Team Collaboration, Client Relations, Problem Solving, admin

WORK EXPERIENCE

Event Coordinator / Co-Founder

The Ill House – Events & Nightlife Promotions | 2025 – Present

- Coordinated end-to-end event operations, managing timelines, schedules, logistics, and task coordination across multiple stakeholders.
- Maintained structured planning documents for events, ensuring clear tracking of deadlines, responsibilities, and operational requirements.
- Managed communication with external partners including venues, suppliers, and contractors, ensuring all requirements were clearly documented and agreed.
- Oversaw operational delivery on event days, coordinating teams, staff schedules, and venue processes to ensure smooth execution.
- Monitored and recorded campaign and event performance data (e.g., attendance, engagement, conversions) to support reporting and decisionmaking.
- Assisted with budget tracking, monitoring costs and spend against planned allocations to ensure financial control.
- Demonstrated strong organisational and problem-solving skills in high-pressure environments, ensuring events were delivered efficiently and to schedule.

House of Frasers (Frasers Group) | November 2025- Present

Sales Assistant

- Deliver high-quality customer service within a fast-paced retail environment while supporting daily operational processes
- Maintain accurate records using internal systems, demonstrating strong attention to detail and organisational skills
- Communicate effectively with customers and colleagues to resolve queries and provide customer-focused support
- Prioritise workload effectively during busy trading periods to maintain service standards and operational efficiency

Events & Marketing Work Placement

John Lewis, Norwich | February 2024 – February 2025

- Supported the planning and coordination of marketing campaigns and events, ensuring activities were completed within agreed deadlines and project requirements

- Maintained regular communication with managers and stakeholders to schedule meetings, track project progress, and provide updates
- Assisted with preparing campaign proposals and organising documentation, timelines, and supporting materials for project delivery
- Attended meetings with senior stakeholders, taking notes and supporting follow-up actions to ensure effective communication and continuity
- Managed multiple priorities simultaneously while maintaining accurate records and a high level of attention to detail within a fast-paced environment

Returns Lead (Head of Returns)

John Lewis, Norwich | October 2023 – February 2025

- Managed high volumes of customer enquiries and returns processes, ensuring accurate handling, processing, and documentation in line with company procedures
- Maintained professional communication with customers, providing updates, managing expectations, and resolving queries efficiently
- Coordinated operational processes and inventory tracking while ensuring accurate system updates and record management
- Prioritised workload effectively during busy periods to meet operational deadlines and maintain service standards
- Demonstrated strong problem-solving skills and attention to detail while resolving discrepancies and supporting customer-focused outcomes

Call Centre Agent

Zafra | January 2024 – April 2024

- Managed high volumes of inbound and outbound enquiries, providing professional and efficient customer support within a fast-paced environment
- Maintained accurate and up-to-date CRM records, demonstrating strong attention to detail and data management skills
- Used effective communication and questioning techniques to gather information and ensure accurate processing of customer requests
- Prioritised workload effectively to meet deadlines and maintain service quality standards
- Resolved customer queries promptly while ensuring accurate follow-up actions and record keeping

SPORTS MARKETING AND MEDIA ASSISTANT | INTERN

Norwich City Football Club | January 2023 - June 2023

- Supported campaign coordination by planning and scheduling communications across multiple channels to ensure deadlines were met
- Maintained and updated content schedules, demonstrating strong organisational and administrative skills
- Used reporting tools including Google Analytics to monitor performance and produce reports for senior staff to support decision-making
- Assisted with event and operational support activities, ensuring information and materials were prepared accurately and on time
- Worked collaboratively across departments, developing strong communication and stakeholder coordination skills

EVENT SUPERVISOR | INTERN

Swim Wales | September 2022 - April 2023

- Supported the coordination and delivery of sporting events, ensuring all activities ran to schedule.
- Acted as a point of communication for participants, providing clear instructions and event information.
- Shadowed senior event managers, assisting with planning, logistics, and operational delivery.
- Monitored event activities to ensure procedures were followed and issues were resolved quickly.

EVENTS COORDINATOR | INTERN

University of East Anglia Sportspark | January 2022 - July 2022

- Coordinated large-scale events involving multiple stakeholders, managing participant information, schedules, and operational logistics
- Collected and analysed event data using Excel, producing reports for senior management to evaluate performance and support future improvements
- Coordinated logistics for over 75 organisations and more than 200 participants, ensuring smooth and efficient event delivery
- Maintained accurate records and demonstrated strong organisational and communication skills within a fast-paced environment
