Profile

Experienced multi-site and store manager with a strong background in retail, hospitality, and catering operations. Skilled in leading teams, improving processes, driving sales, and delivering excellent customer service. Known for staying calm under pressure, resolving complex issues, and maintaining high operational standards. Confident working with KPIs, audits, compliance, and staff development across fast-paced environments.

Employment History

Seasons Sandwich Shop (Seasons Catering), Norwich

Shop & Catering Manager Jun 2024 – Present

Oversee daily operations across retail, catering, and mobile services. Manage food preparation and service for the general public, coordinate business buffets and event catering, and organise 'flight bag' production for offshore workers via Norwich Airport. Lead and improve the van-round delivery service across the local area. Responsible for KPI performance, staff management, operational improvements, stock control, and ensuring high standards of food safety and customer service.

Argos Sainsbury's – North Walsham Sainsbury's

Store Manager Jun 2023 – Jun 2024

Lead daily store operations, staff performance, and customer service delivery. Manage budgets, stock levels, merchandising, and sales optimisation. Ensure compliance with safety and operational standards while maintaining a positive customer experience. Oversee scheduling, training, and team development to support store performance.

Subway Restaurants Ltd – East Anglia Region

Business Consultant Aug 2022 – Jun 2023

Supported franchisees in improving profitability, operational efficiency, and customer service. Conducted regular store visits, prepared sites for external audits, identified growth opportunities, and implemented process improvements across multiple locations.

Subway Restaurants Ltd – All Sub Ventures Ltd (18 Stores)

Area Manager Oct 2020 – Aug 2022

Managed operational standards across 18 Subway stores, ensuring brand compliance, quality assurance, and strong financial performance. Led recruitment, training, and staff development. Oversaw franchise transitions, marketing initiatives, and store-level performance improvements.

Subway Restaurants Ltd – East Anglia Region

Field Consultant Aug 2020 – Oct 2020

Completed in-house evaluations for around 30 stores per month. Ensured adherence to company policies, created action plans, and coached staff to improve operational standards.

Subway Restaurants Ltd – Multiple Locations**Store Manager Apr 2010 – Aug 2020**

Managed store operations across several locations including Bury St. Edmunds, Lowestoft High Street, North Quay Retail Park, and Gateway Retail Park. Oversaw staff management, customer service, health and safety, stock control, and financial processes. Successfully opened new stores and maintained strong performance metrics.
