PROFESSIONAL PROFILE

An ambitious, resilient, and highly organized Customer Service Administrator with a proven track record of managing property administration, maintenance coordination, and high volume client communication. Experienced in fast paced, high pressure environments across the property and automotive sectors, with a natural ability to take full ownership of problems from start to finish. Combines absolute administrative accuracy with a proactive, communicative approach to ensure home purchasers feel supported, remain fully informed, and compliance standards are rigorously met. Thrives in entrepreneurial, performance driven teams that value innovation, speed, and exceptional customer experience.

CORE COMPETENCIES

- **Maintenance & Contractor Coordination:** Experienced in logging issues, collaborating with site teams, and chasing contractors to ensure jobs are completed efficiently.
- **High Volume Communication:** Highly skilled in managing busy phone lines, high email volumes, and digital CRM/property management platforms without losing focus.
- **Tenancy Compliance & Data Accuracy:** Deeply familiar with working within strict regulatory frameworks (GDPR, finance, and site safety protocols) with zero margin for error.
- **Accountability & Problem Solving:** Resilient under pressure, self-motivated to meet fast response times, and committed to proactive follow through.

PROFESSIONAL EXPERIENCE

Trainee Sales Executive (Campus Representation & Property Coordination)

Lovell Homes – Wymondham | January 2025 – May 2025

Managed front-of-house property operations, serving as the central point of contact for buyers, solicitors, and external contractors in a demanding environment.

- **Maintenance Liaison:** Proactively collaborated with on site management and maintenance teams to flag property issues, align contractor schedules, and resolve structural delays before they impacted the client experience.
- **Operational Follow Through:** Managed physical site walkthroughs, tracked property presentation standards, and ensured safety compliance protocols were met on site.

- **Client Updates:** Maintained absolute clarity and provided proactive updates to multiple active accounts simultaneously, ensuring no party was left wondering about the status of their property.

Trainee Sales Executive (Front of House & Client Lead)

Honda – Norwich | June 2025 – March 2026

Acted as the fast moving digital and physical brand ambassador for a premium, high expectation automotive environment.

- **System & CRM Accuracy:** Managed high volumes of incoming digital enquiries and phone calls, inputting accurate records into internal CRM databases to convert leads into structured appointments.
- **Pace & Prioritisation:** Handled a busy reception environment under pressure, multitasking between physical visitors, phone lines, and technical administration without compromising response times.
- **Proactive Media Use:** Utilized personalized digital communication tools to deliver clear, professional updates, building trust through exceptional reliability.

Customer Service Advisor

Certas Energy – Norwich | October 2017 – June 2021

Coordinated logistics and query resolution for a high volume of regional B2C accounts in a fast paced corporate setting.

- **Logistics & Coordination:** Liaised directly between localized depots, logistical staff, and end clients to ensure rapid, accurate order fulfilment and issue resolution.
- **Data & Compliance Integrity:** Maintained absolute administrative precision regarding complex client portfolios, adhering strictly to company compliance and security guidelines.
- **KPI Performance:** Consistently achieved high performance quality assurance metrics and response-time targets within a rigorous, high volume environment.

Sales Representative

UK Credit – Norwich | August 2016 – September 2017

- Conducted detailed customer intake procedures over the phone, adhering strictly to tight financial compliance and regulatory frameworks.
- Managed high volume inbound and outbound communication channels, ensuring data tracking matched rigorous internal standards.

Earlier Experience (2013 – 2025)

Retail, Hospitality, HR & Farm Roles
