Norwich

07798931537

SUMMARY

Resourceful IT professional with a strong background in technical troubleshooting and hardware diagnostics, gained through roles in IT support and mobile phone repair. Possessing experience in diagnosing and rectifying computer faults, administering support tickets and providing comprehensive technical support, including office IT setup and printer configuration. Eager to leverage extensive practical IT skills and dedication to efficient problem solving to contribute to the success of the IT support team.

WORK EXPERIENCE

Call Centre Operator/Complaints Manager, Ingram Micro, Norwich, UK.

11/2024 – 05/2026

- Facilitated the support for Tesco Mobile Order Management and Repairs operations.
- Assisted Customer Care teams with escalations, providing customers with timely updates and guidance regarding repair queries, device issues and service processes.
- Managed customer complaints and where appropriate, issued formal deadlock letters.
- First point of contact for front line agents queries and team guidance.
- I started as a front-line agent but after 1 year was assigned a role in back office/admin as a complaints manager.

Tesco Colleague/Skilled Baker, Tesco, Pembroke Dock, Wales & Norwich.

11/2023 – 11/2024

- Oversaw shop floor operations, including stock rotation, replenishment and maintaining high standards of cleanliness and customer service.
- Cultivated advanced skills in food preparations, baking and product presentation, ensuring consistent availability of fresh stock while rigorously adhering to food safety and hygiene procedures.
- Started as a store colleague before being selected to progress into a Skilled Colleague role.
- Initially worked part time before being offered a full-time position based on performance and reliability.

IT Support, Computer Solutions Wales, Haverfordwest, Wales.

09/2023 – 03/2024

- Diagnosed and rectified computer and laptop faults within a customer facing IT repair environment.
- Administered support tickets with stringent, time based service level agreements, performed on site callouts, established new office computer systems, installed software, configured printers and provided clients with comprehensive support for a broad spectrum of technical issues, including security upgrades and general IT maintenance.

WORK EXPERIENCE

Assistant Manager, Alfa Leisureplex Group, England & Wales.

05/2019 – 09/2023

- Assisted the General Manager in overseeing daily operations of hotel services, applying strong leadership, organizational, customer service, team support and problem-solving skills in a demanding fast paced setting.
- Relocated from Cromer to Torquay and subsequently to Tenby, Wales.

Mobile Phone Technician, Ingram Micro, Norwich.

05/2017 – 02/2018

- Executed insurance repairs for O2 and Vodafone mobile devices and refurbished mobile phones to a high standard.
- Honed exceptional fault-finding abilities, meticulous attention to detail, and confidence in handling mobile hardware and complex repair procedures.

Apprentice Computer Technician, Computer Assist, North Walsham.

05/2015 – 05/2017

- Completed an advanced Level 3 Apprenticeship within a retail and workshop setting, focusing on the repair of computers, laptops and mobile devices, providing assistance with printer and networking issues and conducting customer site visits to both homes and businesses.
- Contributed to new business network installations, which included the setup of Ethernet cabling, while concurrently pursuing IT qualifications at college.
