Personal statement

I am a personable and approachable individual with good team skills and proven experience in customer service roles. I am motivated and adaptable with a strong understanding of different business areas and practices.

Experience & Key Skills

- Customer service experience both face to face and telephone support • Strong team player with ability to support colleagues and work under own initiative when required
- Logical and pragmatic approach to problem solving
- Ability to remain calm and courteous under pressure

Employment History

Aviva, 8 Surrey St, Norwich NR1 3NG

May 2025 to November 2025 Delivery and Operations Specialist (Temporary role)

I was brought on for a temporary contract to help within the delivery and operations department at aviva. This role involved helping to organise, build and distribute all BAU laptops and computer equipment to all Aviva sites UK wide. My daily responsibilities involved reacting to any incoming tickets and applying software builds to computers to meet the individual specifications, often dealing with high workloads. Following this my role also entailed administrating, packaging and organising delivery of each device to various sites.

Skills required:

- Time management
- Problem solving
- Accountability
- Computer literate
- Team Work

CVS group, 1 Owen Road, Diss, IP22 4ER

March 2025 to April 2025 Administrator (Temporary role)

Working as part of a team, my role involved dealing with emails coming from customers and vet practices in relation to veterinary prescriptions, making sure they adhere to regulation and that they were then ready to be dispensed and uploaded onto internal systems.

Skills required:

- Self Starting
- Attention to Detail
- Computer literate
- Time organisation

Verisk, 1 Prince of Wales Road, NR1 1BD

September 2023 to January 2025 Claims Analyst

My role at Verisk involved working dealing with motor liability as part of a liability triage team. Day to day my role included reviewing and determining a liability stance on credit hire claims along with admin work and dealing with customer queries relating to their claims. The role had me dealing with many aspects of the insurance process from Dealing directly with clients over the phone to making payments. My work was very often self driven with an individual responsibility predominantly dealing with liability on claims from one credit hire company although working as part of a team when providing and discussing complex liability issues and working toward achieving team based revenue targets.

Skills required:

- Clear communication
- Problem Solving
- Quick decision making
- Computer literate
- Self Starting
- Team Work

AX, Unit 605, Fort Dunlop, Fort Parkway, B24 9FD

October 2022 to June 2023 Admin support Assistant

Working as part of the admin team, my role involved assisting other teams by answering and directing calls, assisting with customer queries and completing any other administrative tasks. With the company dealing with accident management and Credit Hire, my role would often be taking first calls with clients, having to explain our services and provide reassurance to clients who may have recently been involved in car accidents, requiring me to stay composed and calm under situations that involved sensitive emotions and difficult tasks. My day to day roles also involved completing admin tasks such as, Locating insurers for our claims department, dealing with incoming client email queries and making sure correct documents had been added on to any ongoing claims.

Skills required:

- Clear communication
- Problem Solving
- Patience
- Computer literate
- Empathy
- Team Work

Sitel Group, Timothy's Bridge Rd, Stratford-upon-Avon CV37 9HY

Sep 2021 to Sep 2022 Customer Service Advisor – Full Time

Working from home answering telephone queries from Virgin Media customers. The role involves assisting customers with their issues regarding broadband, television and telephone packages using Virgin's computer-based systems. The role comprises assisting with billing queries and managing payments including explaining bills, implementing new contracts, upgrading service to meet customer needs and reducing services to meet customer budgets where appropriate. It also involves dealing with customer complaints and remaining composed in order to achieve a positive outcome.

Skills required:

- Extensive product knowledge
- Clear communication
- Problem Solving
- Patience
- Computer literate

Cammass Hall Fruit Farm Ltd, Hatfield Broad Oak, Herts, CM22 7JT

October 2016- September 2021

Retail Assistant – Seasonal work

Customer facing role which included using an EPOS system in a successful farm shop, processing both cash and card transactions as well as answering customer enquiries and ensuring customers gain the best experience from their visit to the farm. The role required a comprehensive knowledge of the crops grown at the farm and of the wide variety of local produce sold in the shop. The ability to learn quickly about new products when they arrive on the shop floor was essential. Responsible for monitoring stock levels on the shelves and restocking where necessary. Undertook liaison with senior management to ensure any issues arising were dealt with efficiently. Required to remain calm under pressure during busy periods. Experienced in training new staff on the EPOS system and other aspects of the role. Supported the farm office when required which involved processing invoices and assisting with social media campaigns.

Skills required:

- Customer Service
- Working under pressure
- Teamwork

- Flexibility and a 'Can do' attitude
