Professional Profile

A highly organised, proactive, and detail-driven professional with strong administrative, communication, and coordination skills developed across residential childcare and hospitality management. I bring experience in managing documentation, maintaining accurate records, supporting teams, handling confidential information, and ensuring smooth day-to-day operations in fast-paced environments. Known for my reliability, strong work ethic, and ability to build positive working relationships, I am now seeking an administrative role where I can apply my organisational strengths and contribute to an efficient, supportive workplace.

Key Skills

Administrative support & office coordination
Accurate record-keeping & data entry
Report writing & documentation management
Safeguarding awareness & confidentiality
Scheduling, rota management & diary support
Communication with internal and external stakeholders
Customer service & relationship building
Team support & collaborative working
Stock control, budgeting & financial tracking
Social media and basic digital content management

Employment History

Residential Support Worker
Compass Children's Homes, Saxmundham
April 2023 – Present

Maintain detailed records including care plans, behaviour support plans, incident reports, and daily logs, ensuring accuracy and compliance with regulatory standards.
Coordinate with social workers, therapists, and education providers, managing communication and documentation between professionals.
Support the organisation of appointments, meetings, and multi-agency reviews, preparing relevant paperwork in advance.
Monitor and document progress, behaviours, and safeguarding concerns, escalating information appropriately.
Contribute to the smooth running of the home by supporting rota planning, household organisation, and administrative tasks.
Build strong professional relationships with parents, guardians, and external agencies through clear and consistent communication.

Pastry Chef / Administrative Lead Responsibilities
Black Dog Deli, Halesworth
May 2021 – April 2023

Alongside kitchen duties, I held several administrative and operational responsibilities:
Managed stock control, ordering, supplier communication, and invoice tracking.
Oversaw daily financial processes including cashing up, budgeting, and expenditure monitoring.
Handled customer enquiries, including special orders, bookings, and email communication.
Managed the business's social media accounts, creating content and responding to messages.
Supported project management tasks and contributed to financial planning for business growth.
Supervised a team of five, coordinating rotas and ensuring smooth daily operations.

Residential Support Worker
Compass Children's Homes
March 2020 – May 2021

Supported the administrative running of a residential home for up to six young people.
Completed daily logs, incident reports, safeguarding documentation, and care-related paperwork.
Worked collaboratively with a multidisciplinary team, ensuring accurate information sharing.
Assisted with rota organisation, appointment scheduling, and maintaining household records.

Pastry Sous Chef
Two Magpies Bakery, Darsham
January 2019 – March 2020

Designed kitchen layout and managed procurement of equipment within a £25,000 budget.
Managed stock systems, supplier relationships, and ordering processes.
Coordinated a team of five and supported rota planning and operational organisation.
Handled customer enquiries and maintained strong client relationships.

Head Chef
Honey and Harvey, Woodbridge
April 2018 – January 2019

Managed rotas, stock rotation, and daily operational planning.
Ensured compliance with health and safety standards and maintained accurate documentation.
Oversaw high-volume service while supporting administrative tasks.

Senior Chef de Partie
Hall Farm, Dedham
May 2016 – April 2018

Managed stock control, hygiene documentation, and customer service processes.
Supported daily operational organisation in a busy café environment.

Demi Chef de Partie
The Grove Hotel, Watford
May 2015 – May 2016

Delivered high-volume service for corporate clients including Google, Deutsche Bank, and Ferrari.
Provided customer-facing support requiring strong communication and problem-solving skills.
Assisted with event coordination and operational organisation.
