**Skills:**

. Punctuality. . Hard working. . Communication & listening

. Team work skills

. Time management.

. Social & organisation

. Cash register operator practices

. Driving licence

. Safe food & handling

Education:

I completed my GCSEs in June 2024 gaining:

Math's 6,

Science 6 6,

English 3,

Geography 5,

Music Level 2 Distinction,

Photography 5

I attended City College Norwich and gained a Level 2 in Engineering and Manufacturing.

I completed the course and the skills I learned were understanding electrical components in pillar drill and motor / bearings.

I also have some, hands on, experience in servicing and using welding machines. Including rebuilding them and assembling out of the box. Whether it is mig, mag, tig or mma I have fixed multiple of these such machines and welded with them all

Goals:

My future goals are to grow within a company where I can continue to develop my skills resulting in additional responsibilities and progressing through the company.

Interests

In my spare time I enjoy fishing, photography, watching formula 1 and football, playing golf, socialising with friends and family and going to new and interesting places in my car.
