Profile

Dedicated and compassionate professional with over 17 years' experience across health and social care, as well as various other roles. Proven ability to lead, manage and support diverse teams, and maintain high standards under pressure. Strong advocate for quality improvement, equality, and accountability in post.

Employment History

- Machine Minder, Kettle Foods, May 2025 – June 2026

Machine minder role in a busy food production environment. Ensuring product quality, safety, industry standard compliance, as well as maintaining an efficient workflow in line with company and also industry standards.

- Podcaster, writer and Interviewer May 2025 – Ongoing.

Self employed role, networking and interviewing politicians, celebrities, media personalities, soldiers and broadcasters on a variety of current affairs and societal issues, promotion of books and brands.

- Service Coordinator

Monarch Water — Dec 2024 – May 2025 (temp)

Supporting manufacturing and assembly processes in a fast-paced industrial environment. Ensuring product quality, safety compliance, and efficient workflow in line with company standards.

- Store Supervisor

Toolstation – July 2024 – December 2024 (temp)

Temporary assistant manager posting to cover maternity. Retail environment. Dealing with customers, rotas, complaints, cash handling, security reviews, point of sales and promotion of offers.

- Registered Manager

Sanctuary Supported Living — Jan 2024 – July 2024

Managed a 20-flat service for individuals with acquired brain injury and/or physical impairments. Oversaw staffing of circa 70 individuals, working closely with local authorities and providers, budgeting, safeguarding, recruitment, retention, career planning, 1:1 support planning, and stakeholder engagement.

- Care Home Manager

Independence with Care Ltd — September 2023 – January 2024

Oversaw care delivery for 25 residents across two homes. Liaised with CQC and local authorities, led audits, negotiated fees for care, negotiated rents with new private residents, promoted the home in the local area, developed care plans, submitted statutory notifications, and supported staff wellbeing and development.

- Healthcare Assistant

Norfolk and Norwich University Hospital — Mar 2023 – July 2023

Provided 1:1 care for stroke patients. Supported mobility, recovery, and personal care, while assessing and reporting mental health concerns to the clinical team.

- Domiciliary Care Worker

Bee Homecare — Nov 2022 – Sept 2023

Delivered in-home personal care, medication support, risk assessments, and on the fly, care plan updates. I also assisted in office work, dealt with feedback, safeguarding, care plans, rotas, wages, recruitment, support via 1:1, and career planning for front line staff. Provided leadership in appropriate situations, supported staff training and retention of new starters, collaborated with local authorities where appropriate, and external service providers

- Assistant Practitioner

Norfolk & Suffolk NHS Foundation Trust — Sept 2020 – Nov 2022

Managed mental health bed placements and supported acute and low/medium and medium high mental health ward operations. Provided leadership in high-risk situations, supported discharges, collaborated with MDTs, constructed and updated care documentation, ensured patient safety, collaborated with local authorities, police and external service providers

- Clinical Support Worker

Norfolk & Suffolk NHS Foundation Trust — Sept 2014 – Sept 2020

Worked across inpatient mental health units. Provided personal care, managed challenging behaviour, completed reports, completed incident reports, kept accurate medical records, supported with admissions and discharges. Eventually worked up to become an Assistant Practitioner

- Support Worker / Team Leader / Assistant Manager - NorseCare — June 2010 – Sept 2014

Progressed through roles, eventually managing a care unit. Led a team of 10 staff, delivered training and supervisions, managed team performance, chaired meetings, and supported induction and team-building efforts.
