Personal summary

I have been working in the hospitality industry since 2016 and have gained lots of knowledge over these years. I am hard working, enthusiastic, professional and have excellent time management. I work well on my own, in a team and managing a team. My experience has equipped me with the skills to manage high pressure situations while keeping a positive attitude. Recently I have been living and working in Australia since February 2025.

Skills Summary

Leadership and team management | Customer service excellence | Training and development | Communication skills | Operational oversight | Business and Administration | Cellar Knowledge

Education

Norwich City College

Business and Administration-NCFE Level 3- 2017-2018

During my course I learned and passed a curriculum that covered various aspects of business operations and management. This course equipped me with both theoretical knowledge and practical skills preparing me for my career.

Wymondham College

I completed my GCSES here from 2012-2017
