WORK

- **Beccles McDonald's Crew member (2021-present)**
- **Skills:**
- **Customer service & time management:** I delivered high quality, friendly customer service skills in a fast paced environment. We would often handle over 100 cars an hour.
- **Money management:** Taken and processed customer orders accurately, therefore handling a range of cash and card payments quickly and efficiently to keep the flow of customers and orders moving.
- **Food safety awareness:** Maintained front of house cleanliness. Working at McDonalds has taught me about health and safety regulations in a food environment and I always adhered to all the food hygiene standards in the workplace.
- **Food & drink:** Prepared hot and cold drinks as well as desserts and hot food quickly and consistently, all whilst maintaining a clean and tidy workplace.

- **Teamwork:** Helped to train new staff members on company procedures and protocols, allowing me to demonstrate leadership skills due to having experience and knowledge in all areas and stations. All staff members always had successful team collaboration and communication which allowed us to deliver smooth service during the busiest hours.
- **Customer care:** Handled a range of customer queries and concerns in which I always offered a solution to any issues they experienced.
- **Multitasking:** I covered stations in the kitchen and front of house at McDonalds, this shows my ability to multitask in busy situations. I used a wide range of skills in a restaurant environment.
