Responsibilities

I would visit the service users in their own homes, and I would be responsible for the following;

- personal care

- administering medication
- meal preparation
- domestic duties
- companionship

Accomplishments

During this job I have built relationships and friendships with the service users. Building trust is imperative in this role and I have done this very effectively.

Skills Used

I have learnt and developed the ability to instil trust and confidence with the service users, and also in myself. I have learnt the process of administering medications and the use of equipment i.e. Stand aids & turn tables.

I am also currently doing training in the care of dementia patients.
