Qualities: I am a friendly, approachable and outgoing individual who builds positive relationships with others well. I work effectively both independently and as part of a team, demonstrating initiative and reliability in the tasks I undertake. I am a motivated and enthusiastic learner, always seeking opportunities to develop my skills and gain new experience. I approach every task with commitment and a strong work ethic. I am also creative and open-minded, confident in sharing ideas while actively listening to the perspectives of others. I enjoy stepping outside of my comfort zone and embracing new challenges to support both personal and professional growth.

Hobbies/Interests: I am passionate about health and wellness, and regularly take part in gym-based exercise. My interest in sport and wellbeing led me to study sports in college, and I enjoy being part of environments that promote physical health and recovery.

I enjoy socialising and meeting new people, which has helped me develop strong interpersonal skills and confidence in communication. I love spending time outdoors walking my dogs and maintaining an active lifestyle, as well as spending quality time with friends and family. I thrive being around people!
