Long Stratton, Norfolk NR15
07711 804901 ~ ian.mortimer.uk@gmail.com

Full, clean driving licence and access to own transport.

Profile Highly experienced administration professional with extensive experience across public sector, education, healthcare, and commercial environments, with strong expertise in ICT systems, finance, purchasing, and data analysis. Highly accurate and detail-focused, with strong proofreading skills and a commitment to delivering work right first time. Strong communicator and organiser, able to manage competing priorities and work effectively with a wide range of stakeholders. Also has leadership and community experience as Chair of Wacton Parish Council and a GP Patient Group and worked as a trained NHS COVID-19 vaccinator. Great geographical knowledge of the local area and UK as a whole.

Key Skills

- Strong Microsoft Office and IT skills, including Excel, Word, Access, Outlook, SharePoint, Active Directory, and remote access systems.
- High attention to detail, ensuring accurate data entry, reporting, and system updates across multiple systems.
- Effective organiser, able to manage competing deadlines, month-end processes, and high-volume administrative workloads.
- Strong problem solver, able to identify and resolve system issues and data discrepancies efficiently.
- Confident communicator, working effectively with staff, students, external professionals, and members of the public in team and stakeholder settings.
- Knowledge and understanding of GDPR and confidentiality plus health and safety requirements

Career History

- 08/25 – 11/25 Babergh & Mid-Suffolk District Councils - System Administrator**
- Managed system administration, including user accounts, interfaces, and data updates from external systems such as payroll and repairs.
 - Delivered month-end processing and produced standard and bespoke reports, including developing new reports.
 - Resolved system issues by raising and managing support tickets with Unit4 and MSP consultants to ensure timely fixes.
- 03/25 – 05/25 East of England Ambulance Service Trust - 999 Call Handler**
- 09/24 – 12/24 Royal Mail (Temporary Christmas contract) - Postman/driver**
- 02/23 – 07/24 Randstad (agency) for Norfolk & Suffolk Police - ICT Service Desk Analyst (12-month contract extended twice to 17 month)**
- Taking contact to Service Desk via phone and live chat; logging everything on Marval (ticket recording system) achieving average of over 75% first time fix rate or redirecting jobs to appropriate team as necessary.
 - Acting as both 1st and 2nd line support - diagnosing/fault finding, by using remote access tools and trying to resolve issues or complete customers' requests in relation to hardware like laptops, desktops, police radios, force issue mobile phones (Intune), scanners/printers, as well as the myriad of software that the Police use in their roles.
 - Undertaking the set-up of new user accounts, cessation of departing users accounts, name and role changes, using Active Directory.
- 01/22 – 12/22 Bf1 Systems Ltd - Data Administrator (6-month contract extended to 12 month)**
- Maintained Sage 200c data, including adding/updating codes, cleaning data, /and improving reporting accuracy.
 - Provided 1st and 2nd line Sage support, troubleshooting issues and supporting day-to-day system use.
 - Produced KPI dashboards and reports using ODBC, SQL, Excel, and Power BI, and processed sales orders and stock movements.
