SKILLS

- Creative problem solving
- Client relations
- Working well under pressure, and discipline
- Mensa member- 135 IQ

Highly motivated and analytically minded professional with a passion for problem-solving, data analysis, and continuous learning. With a diverse background spanning entrepreneurship, client relations and event management, I thrive in dynamic environments that challenge my intellect and creativity.

A MENSA member with a strong aptitude for logic and strategy, I am now eager to transition into a career in computer studies—combining my analytical skills with my lifelong passion for technology.
