Professional Profile

Reliable and detail-oriented administrator with extensive experience providing high-quality support across public, private, and charity sectors. Strong skills in data management, stakeholder communication, inbox coordination, and delivering excellent customer service. Proven ability to simplify complex information, support users, and maintain strict confidentiality and data protection standards. Seeking remote General Administration or Administrative Assistant roles where strong organisational and IT skills can add real value.

Key Skills

- Microsoft Office (Word, Excel, Outlook) & Google Workspace
- Data Entry, Records Management & Database Administration
- Customer & Stakeholder Support (phone, email & portal)
- Inbox & Diary Management
- GDPR & Information Assurance
- IT Training & User Support
- Clear Communication & Simplifying Technical Information
- Remote Collaboration Tools (Teams, Zoom)

Professional Experience

Volunteer Administrator & Digital Skills Support

Harleston Information Plus, Job Club, Harleston

2018 – 2020

- Delivered one-to-one IT training and digital skills support to local residents, including many individuals with disabilities.
- Assisted clients with Universal Credit portal navigation, benefit enquiries, and government processes.
- Managed high volumes of face-to-face, telephone, and email enquiries while maintaining excellent data protection standards.
- Adapted support style to meet individual needs and helped build client confidence and independence.

Sourcing Category Executive

Crown Commercial Service (Central Government), Norwich

2005 – 2015

- Provided essential administrative and coordination support to the Telecommunications and Networks procurement categories.
- Managed busy team email inboxes and delivered first- and second-line customer service to government stakeholders.
- Coordinated information events for service providers and liaised with the Communications team for all public-facing material approvals.
- Conducted telephone outreach to recruit expert volunteers for tender evaluation panels.
- Supported major government procurement projects through effective organisation, documentation, and stakeholder liaison.

Career Break

2015 – 2018

- Took voluntary redundancy following a major departmental restructure. Used the time for personal development, including completing a Permaculture Design qualification and exploring sustainable business opportunities.
