Personal Profile

I am a reliable and enthusiastic individual with over 8 years of experience in customer-facing roles, including retail, hospitality, and construction. I have developed strong communication, organisation, and problem-solving skills through working with customers, coordinating work schedules, and ensuring tasks are completed on time and to a high standard. I am confident using IT systems, handling customer enquiries, managing schedules, and prioritising multiple tasks throughout the day. I am now looking for an opportunity to move into an office-based role where I can further develop my administrative and organisational skills whilst continuing to deliver excellent customer service.

Core Skills
