PROFESSIONAL SUMMARY

Results-driven Shift Manager with over four years of experience leading high-performing teams in fast-paced hospitality and customer service environments. Proven track record of driving operational excellence through effective labour management, stock control, waste reduction, and adherence to quality standards. Experienced in supporting successful new store openings, training and developing both crew and management teams, and delivering consistent commercial results. Recognised for strong leadership, organisation, and problem-solving abilities, with a reputation for motivating teams, maintaining compliance, and achieving business objectives in high-pressure environments.
