### PERSONAL STATEMENT

---

I have over 12 years office experience in various settings, my first role was for a successful company that was dealing with the smooth running of an engineering business. My second and third role was for the local government Hertfordshire County Council where I gained most of my skills, mainly administration duties, events, conferences, and lots of planning and organisation. My fourth and fifth role is working for Savills Property Management as a front of House Receptionist, training staff and ensuring the day-to-day reception and the building is running smoothly with PA duties.
