Work Experience

Domestic Cleaner

Sizewell B-Sizewell, Suffolk

April 2026 to Present

Activity Instructor

Whitlingham Adventure-Norwich, Norfolk

February 2026 to Present

Customer Service Advisor

Halfords-Norwich

April 2025 to December 2025

A strong customer based role. Requiring me to communicate with the mechanics to inform the customer about their vehicle. This meant being able to reiterate the technical information into something the customer could understand. Keeping the customer safe and sales on target.

Stores Manager

Manor Adventure-Norfolk

August 2024 to April 2025

During my time here I managed my own team to ensure the activity equipment was safe and organised. I was in charge of training my team on trouble shooting common issues and adapting the activity areas based on recurring faults and themes.

Outdoor Activity Instructor

Manor Adventure-Norfolk

March 2022 to August 2024

Pool Supervisor

Parkdean Resorts-Great Yarmouth

February 2022 to January 2024

In this role I worked with a team to ensure the up keep of two swimming pools. This included me getting my pool plant operator qual allowing me to fix bigger issues in the plant room. I was required to ensure guests were both safe and happy as I would often be the first face they saw when they came.

Lifeguard

Parkdean Resorts-Great Yarmouth, Norfolk

February 2021 to October 2021

High Ropes Instructor

Roarr Dinosaur Adventure-Norwich

March 2019 to September 2020

My role involves explaining in detail rules and regulations to ensure the safety of customers and workers. Additionally answering questions about other departments to allow customers to know exactly what they need to know to enjoy their day out. During a working day i put customers in harnesses and clip them on ensuring that they are safe and secure when they go on the the high ropes course. In this job i also have used tills, delt with complains with customers and been put in a management position.

Kitchen Porter

Wroxham hotel-Wroxham

June 2018 to February 2020

I work in a fast paced environment cleaning and maintaining the kitchen mad washing dishes etc. My main role is washing dishes and working in a popular restaurant has given me the skills to be organised and get in a routine quickly. I also understand the roles of a kitchen and work fast and safely.

Mechanic

Thunder Road Cars-Waltham Cross

April 2018 to April 2018

During my time here i helped fix a Triumph TR4 that had been converted for racing. I was there for a week and helped fit the engine and gearbox into the TR5 and bolt on all of the extras in the engine bay. As the parts weren't made for the car I learnt how to make things fit by using machines and finding measurements.

Mechanic

Page's Garage-Norwich

March 2015 to March 2015

Norwich Road,
Strumpshaw,
Norwich
NR13 4AG

I worked at the garage as extra help and did things like take off tires, fix tires and help people do maintenance on the cars. I also observed and occasionally assisted in body work and safety. I was asked to disassemble an engine and did so without much assistance and can consider myself to know the basics of working in a garage.

I also assisted in the office, calling suppliers and talking with customers and this has adapted my knowledge of working with customers and my social skills

Education
