- Health & safety and confidentiality awareness

PROFESSIONAL EXPERIENCE

Overbury House Care Home – Housekeeper

Norwich | August 2024 – Present

Accurately record cleaning schedules, stock levels, and maintenance requests. Ensure compliance with health and safety and data protection policies. Manage daily priorities efficiently, maintaining attention to detail in all documentation and reporting.

Tesco – Night Shift Replenishment Team Member (Temporary)

Norwich | May 2023 – December 2023

Logged stock movements and reported discrepancies to management. Handled data entry for stock levels and product rotation using internal systems. Ensured compliance with health and safety standards and company procedures. Delivered excellent teamwork and communication during high-volume operations.

Norse Care Home – Domestic Housekeeper

Norwich | January 2020 – April 2023

Maintained correct records of cleaning tasks and inventory. Collaborated with care and administrative teams to ensure a safe, well-documented environment. Supported internal audits by keeping documentation up to date.

Morrisons – Bakery Assistant

Norwich | August 2017 – December 2019

Recorded daily production and stock data to support stock control and waste reduction. Maintained compliance records for food hygiene and safety. Communicated effectively with team members to ensure smooth workflow.

Roys of Wroxham – Customer Service Assistant

Norwich | August 2014 – August 2017

Processed financial transactions accurately using POS systems. Maintained organised records of sales and returns. Assisted with administrative duties, including restocking logs and reporting.

Sainsbury's – Online Personal Shopper

Norwich | May 2007 – August 2014

Used internal systems to manage and track customer orders with precision. Ensured all data was entered accurately to meet delivery deadlines and quality standards. Worked efficiently under time pressure while maintaining accuracy and attention to detail.
