COVER LETTER:

I have spent years working in various environments and different industries refining key skills that have helped guide and shape the person I am today.

I've worked in retail, insurance, banking/mortgages, sales, lettings, administration and conveyancing, and I can safely say that I have gained many transferrable skills that would benefit me in any role I choose to step in to next.

I am a hard worker with a strong sense of integrity and a solid work ethic coupled with a strong desire to succeed and secure my future through continuous improvement, personal growth and career progression.

I can provide both professional and character references as and when needed.
