Driver's License: Cars

Eligible to work in the UK: Yes

Highest Level of Education: GCSE or equivalent

Work Experience

Office Administrator

Anglia recovery-Boston, Lincolnshire

October 2025 to April 2026

For the duration of my time at Anglia Recovery, I gained much experience and skills. Due to Anglia being a smaller sized company, my job role was very intense. As I love a challenge, I single handedly ran the phone lines, kept on top of any live jobs in our control room; partake in vehicle movements alongside another driver. Widening the extent of my job description to assist the drivers, helped to broaden my knowledge and understanding of the job. Customers and our staff both benefit from the greater understanding of office staff knowing how the recovery business runs outside of the office. I do feel very fortunate to have spent 6 months here, but due to unforeseen circumstances I have had to resign.

I am now looking for a new challenge that will push my knowledge even further in any office based work, with the freedom of assisting other job roles where and when necessary if required.

Passenger Assistant

Transport Connect-Boston, Lincolnshire

February 2023 to August 2025

During my employment at transport connect, my role as a passenger assistant required myself to safely transport special needs children to and from school everyday. Ensuring all children were taken care of and given the support they required. I was unfortunately made redundant in August 2025, which is my reason for leaving.

Rehabilitation Support Worker

Headway - the brain injury association-King's Lynn, Norfolk

November 2020 to June 2021

Whilst working at headway, my role as a rehabilitation support worker entailed supporting and ensuring a cognitive progression for our clients. Developing fine motor skills and regaining abilities physically, mentally and emotionally. Working with PCP's (Personal Care Plans) and clients 1:1 in developing their skills again.

Skills

- Care plans
- Professionalism
- Home care
- Communication skills
- Elderly
- Driving
- Organisational skills
- Time management
- Customer service
