Profile

I am conscientious, hard-working and meticulous. One of my biggest achievements was that I ran the Office of Living Property a local Estate Agent, for 4 ½ years, working on my own initiative at all times. I am now ready for a new venture in my life. I have a full driving licence so am willing to commute. References can be supplied. Absolutely loved the pressure and fast paced Receptionist post at Blue Sky Leisure. **I am in receipt of a current DBS Certificate.**

Message

To whom it may concern,

I am very happy to provide a written reference for Susan Gotts who worked for me for several years. Susan was always punctual and well presented. Her work ethos was commendable and her manner with the public always professional. In her role as Office Administration Manager her tasks were varied and always within her capability. As well as administration of the office she dealt with sales progression and also with negotiating sales and was fully competent at both. We were a small company and that meant that when, as the owner, I was on holiday I had to entirely trust Susan with being able run every aspect of the office and the business. I can fully recommend her for any role within Estate & Letting Agency work. She will make a reliable addition to any office.

Best regards,

Andrew Roebuck
