## Employment History

### Self-employed

ONLINE COOKING CHANNEL

Norwich, UK

Mar 2021 - Present

- Executed all administrative and marketing tasks for an online food channel via social media such as Instagram, Facebook and Telegram.
- Designed, shaped, and implemented comprehensive online marketing campaigns including content marketing strategy for a range of products and services.
- Communicated effectively with internal and external customers using telephone, email, WhatsApp chat and online face to face communication via Zoom video meetings.

### Self-employed

CHILDREN'S CLOTHING WEBSITE

Norwich, UK

Jul 2017 - Dec 2020

- Designed and implemented an End-to-End marketing approach, overseeing all administrative and marketing duties, from strategic planning to campaign execution and performance evaluation, ensuring that all activities were done /submitted in a timely manner.
- Developed and led strategic marketing plans and initiatives, including social media campaigns, advertising initiatives, and targeted email newsletters resulting in increased website traffic and sales growth.
- Conducted meticulous analyses to evaluate the effectiveness of marketing campaigns, implementing iterative improvements to optimize performance.

### Fountain Partnership Ltd.

ADMIN AND EXECUTIVE ASSISTANT

Norwich, UK

May 2016 - Jul 2016

- Facilitated effective communication and coordination within cross-functional teams, ensuring seamless collaboration for the successful delivery of marketing campaigns prioritising my own workload.
- Leveraged research and analytical skills to identify potential prospects and networking opportunities, providing valuable insights to inform targeted marketing strategies and enhance campaign effectiveness.
- Utilized digital tools and platforms to update and analyse social media executive reports in Excel, contributing to data-driven decision-making and optimization of marketing campaigns.

### Midwich Ltd.

MARKETING ADMINISTRATOR

Diss, UK

Jan 2016 - May 2016

- Led the creation of content for online and printed CRM marketing materials, driving brand visibility and enhancing customer engagement.
- Fostered close collaboration with local advertising agencies to coordinate the creative design development process, ensuring alignment with strategic marketing objectives and company's branding guidelines.
- Leveraged strong analytical skills to gather and analyse information from agencies and suppliers, enabling informed decision-making to determine the most cost-effective marketing initiatives.
- Facilitated effective communication and coordination with external clients via interpersonal customer service skills.

## Midwich Ltd.

Diss, UK

PRODUCT MARKETING COORDINATOR

Jul 2010 - Jan 2013

- Took ownership of developing, shaping, and implementing quarterly marketing plans for the B2B technology market, encompassing both online and printed activities to meet specified deliverables within set timelines and budgets.
- Collaborated closely with internal cross-functional teams and external vendor partners to secure funding for CRM marketing activities, ensuring alignment with campaign objectives and strategic goals.
- Managed to solve one of the main problems of the CE division at that time: using my own initiative I raised more funding from new vendors than ever before to fund 100% of the marketing activities under my supervision by presenting a presentation-proposal how the new vendor will benefit from the proposed marketing activities.
- Coordinated and led the creative design and production process of online and print marketing materials, maintaining alignment with brand standards and marketing objectives.
- Coordinated and supervised tasks executed by Marketing Assistants in order to prioritise the workload and meet deadlines.

## British Heart Foundation

Norwich, UK

LOCAL MARKETING COORDINATOR

Mar 2010 - Jun 2010

- Collaborated with multiple stakeholders to secure funding for charity activities, ensuring alignment with strategic objectives and regulatory requirements.
- Conducted logistical and administrative tasks ensuring timely and efficient execution of operations to support organizational objectives.
- Provided administrative and clerical support for a range of projects, ensuring clear communication of participation rules and benefits to stakeholders, showcasing attention to detail and effective communication skills.

## Henkel Central Asia and Caucasus

Almaty, Kazakhstan

JUNIOR BRAND MANAGER (Laundry & Home care division)

Jun 2006 - Sep 2008

- Managed a range of brands in 9 countries, establishing constructive working relationships across diverse cultures and regions to achieve common strategic and marketing objectives.
- Established and monitored the budgetary situation for all brands (eleven) and promotional activities under my supervision.
- Coordinated and led the creative design development with local advertising agencies, ensuring alignment with marketing strategy, brand objectives and standards to drive impactful marketing campaigns whilst demonstrating a keen eye for detail and a drive to introduce innovative ideas.
- Conducted post-promotional evaluation analysis, including ROI, to assess campaign effectiveness and inform future marketing strategies, emphasizing a commitment to data-driven decision-making.
- Presented and defended the Yearly and Quarterly Brand's marketing strategy plan in focused, succinct, professional and persuasive manner using my proven presentation skills.

## Coca-Cola Almaty Bottlers

Almaty, Kazakhstan

MARKETING PROJECT COORDINATOR/MARKETING SPECIALIST

May 2002 - Jun 2006

- Delivered and executed marketing strategy for Coke and Music concerts, by coordinating all parties involved in promotions and concerts engaging the full marketing mix and ensuring strong stakeholder involvement together with the seamless execution of marketing initiatives.
- Collaborated with external agencies and suppliers to gather and analyze information, identifying the most cost-effective marketing proposals tailored to the regional market, and actively participated in their implementation, ensuring efficient resource allocation, and maximizing ROI.
- Analyzed brand performance through sales reports, retail audits, and CABI reports, utilizing data-driven insights to inform marketing strategies and optimize brand performance successfully using Microsoft Office programmes (Excel, Word, Power Point).
- Coordinated and supervised tasks executed by Marketing Assistants in order to prioritise the workload and meet deadlines.
