PROFESSIONAL EXPERIENCE AND ACHIEVEMENTS

PLANT OPERATOR

BRITISH SUGAR, Cantley

September 2025 – Present

- Operate and monitor production machinery within a large-scale manufacturing facility; maintain high standards of process efficiency and safety while promptly addressing operational issues. Reduce downtime through quick and effective identification and resolution of equipment faults.

ADMINISTRATOR

PARAGON, CUSTOMER COMMUNICATIONS, Norwich

July 2024 – July 2025

Supported daily operations and facilities management within a high-volume office while optimising accuracy and compliance by managing records, maintaining documentation and facilitating timely communications between teams.

- Improved document retrieval times via restructuring and digitising filing systems, enabling faster access for staff.
- Increased client satisfaction by resolving enquiries and issues within Service Level Agreements (SLAs).
- Reduced recordkeeping errors through file management and regular audits, supporting compliance with internal and external standards.
- Aided commercial decision-making by support delivering timely reports to senior management.
- Facilitated the timely completion of ad-hoc administration; supported organisational control and audit preparedness.

WAREHOUSE OPERATIVE

ANGLING DIRECT, Norwich

June 2023 – June 2024

Supported efficient movement of goods in a fast-paced warehouse environment; ensured timely and accurate despatch to maintain service quality and stock integrity.

- Exceeded order fulfilment targets through accurate order picking and packing.
- Increased goods handling efficiency by coordinating loading and unloading activities for multiple vehicles.
- Supported inventory accuracy by participating in regular stock checks; identified and reported discrepancies.
- Cut delivery discrepancies by verifying incoming and outgoing stock against manifests.

Post Office Assistant

TOWN STREET POST OFFICE, Brandon

April 2022 – May 2023

Delivered first class customer service, alongside energy, drive and enthusiasm while ensuring accurate handling and despatch of mail in line with stringent regulatory and customer standards.

- Supported regulatory compliance by inspecting mail for correct labelling and documentation.
- Improved customer turnaround times xx% by enhancing service counter weighing, stamping and despatch procedures.
- Processed high-volumes of outgoing items per day; ensured 100% accuracy of labelling, postage and documentation.
- Maintained daily despatch targets during seasonal peaks by adjusting processes; displayed versatility and adaptability to support colleagues as required.

EDUCATION AND QUALIFICATIONS

- College-Level Business and Accounting Studies, India
- GCSE-equivalents, including English and Maths Completed in India
