Most Recent Employment

September 2025 - Present

Shift Supervisor – Mitchell & Butler

Based at the Swann Inn Horning, My duties involve overseeing the shift, ensuring that customers are happy and satisfied with the service that they receive, resolving any disputes as they arise and escalating where necessary. I also undertook back office administration duties such as updating purchase orders within the EPOS system once goods have been received, and undertaking premises opening and closing procedures.

Employment History

July 2023 – July 2025

Front of House Team Leader – Stonegate Group

Managing a team of FOH staff on a regular basis, my role also included conducting line checks daily and stock counts weekly. Closing and executing end of day routines, such as closing till systems, safe counts and updating the payroll system. Helping customers by giving personalised recommendations through memorised drinks and food items to an average of 100 people per day. Keeping a clean and hygienic environment for customers and staff members, so that work could be done efficiently. Used the Aztec APOS system.

August 2021 – July 2023

Customer Service Assistant – Tesco, Stalham

I started working on the tills and stacking shelves, supporting customers with their queries, ensuring that stock was correctly rotated and displayed accordingly, whilst working the tills I ensured that the transactions were processed smoothly and that the correct change was given as well as processing card transactions making sure that they were fully processed. This quickly evolved in to working on the customer services desk/tobacco Kiosk where it was vital to be able to work more independently.

September 2019 – July 2021

Café Assistant – The Galley Horning

Starting as a pot washer, I moved up in to waitressing and as I gained confidence dealing with customers and working under a bit more pressure, I then did the Barista training followed by becoming till trained, providing good customer service in a small family run business.

November 2018 – August 2021

The Officers House Holiday Home

General cleaning duties were undertaken, including making beds, hoovering, cleaning bathrooms, ensuring that the cleanliness of the property was up to standard for the next set of guests to arrive.
