COMPLEMENTARY INFORMATION

Society for Studies and Business in the Middle East (NENOM)	2020 - 2024
I participated in the nucleus where we held weekly meetings to discuss the main issues and news that affected the region, as well as the impacts they would cause in other locations around the world. In addition, organization and participation of lectures open to the rest of the university. Producing country reports to analyze and discuss opportunities and challenges for the reason were also part of my duties.	
Brazilian Tchoukball Association (ABTB)	2011-Present
Tchoukball is recognized by the UN as the sport of peace. I am an athlete and captain of the Brazil's Tchoukball national team, with frequent participation in international events such as Pan-American championships, occurring every two years since 2012 around Latin America and, world championships in Malaysia, August 2019 and Czech Republic in 2023. I also have my own team, called Supernova, where I act as athlete, coach and owner. I also do participate directly in the National Federation helping promoting the growth and development of the sport. It is an environment that helps me develop my communication and organizing skills, including team management and promotion of social activities and championships in Brazil and South America. Since in the UK, I also engaged with their Tchoukball community.
